A19 and **BR30**
styles

- > Innovative.
- > Simple installation.
- > Increased energy efficiency.
- > Integrated occupancy LED Lamp.

LED Photo-Motion Sensor LAMP SERIES

KEY FEATURES:

- Will not turn on if high ambient light is present
- Eliminates installation for a separate occupancy sensor
- Detects motion up to 12 feet away
- Available in 3000K or 5000K
- UL Listed
- RoHS compliant
- 5 Year limited warranty
- Rated lifespan up to 40,000 hours
- Turns off after three minutes of no-motion

GREAT SOLUTION FOR:

Closets • Basements • Bathrooms • Storage Rooms • Hallways • Garages
